

Pelactiv
VISIBLY HEALTHY SKIN

Experience skincare therapy at a cellular level using the unique range of Pelactiv products. The range incorporates the natural, organic extracts of apple, berry, lemon, grapefruit, orange, willow and sugarcane.

The Pelactiv formula is based on a derivative of milk, lactic acid, which is known for its remarkable skin softening, hydrating and healing abilities.

From your very first treatment you will notice visibly healthier skin, which feels hydrated, soft and firm.
